Dated: October 6, 2014

Dear Mr. Negron:

Your request for information has been referred to this branch for response. We have searched the Resource Conservation and Recovery Act (RCRA) files and/or computer database as appropriate to respond to your request. In addition, you may also receive information from other program areas within this Regional Office.

We are enclosing a copy of the RCRA Facility File Index Sheets for Legacy Pharmaceuticals PR, LLC at Road 909, KM 1.1 in Humacao, Puerto Rico, and EPA ID No. PRD090493917. We are checking with our EPA Office in Puerto Rico to see if they have any documents. We are also enclosing a copy of the RCRA Compliance Monitoring, and Enforcement Data Report regarding inspection information for Legacy Pharmaceuticals in Humacao, Puerto Rico.

The approximate amount of RCRA information that we have in our RCRA file room is about 16 inches. One inch is equivalent to 250 pages. The cost for copying each page is \$ .15.

Regarding the information on the RCRA Facility File Index Sheets, you can place an asterisk next to the documents that interest you, and then e-mail the information to [abrin.es.david@epa.gov](mailto:abrin.es.david@epa.gov). Afterward, Mr. Abrines will review the documents that you selected on the indexes, and contact you concerning the final cost.

We also welcome you to visit our office to review the RCRA files. We will arrange to make the files available to you. Kindly arrange your appointment with Mr. David Abrines of my staff at (212) 637-3043. The file offices are open between the hours of 9:00am - 4:00pm at the following address:

Room 1538, 15th Floor  
290 Broadway  
New York, New York 10007-1866.

Be sure to bring a copy of this letter when coming to our EPA file office, and make reference to the EPA ID Number PRD090493917.

We also have two documents for Syntex in Humacao, Puerto Rico, which may be considered confidential and/or are marked as confidential. We recommend that you first review the documents that we have. If after reviewing the documents and you still have an interest in pursuing the regulatory process to request disclosure of the confidential document, please inform Mr. Abrines at the above number.

In addition, RCRA information is available on the Internet as described on the enclosed sheet.

Please include the above referenced request number on any inquiries regarding this response. Please reply to us by **January 5, 2015** to let us know how you want us to proceed with your request. If we do not hear from you, we will cancel your request. You can always submit a new request asking for specific records, and we will continue to work with you.
